

REMARKS

This is responsive to the outstanding Office Action issued May 6, 2005. Claims 1, and 4-23 and 35 were pending in the application. Claim 1 was allowed and claims 4-23 and 35 were rejected. Claims 2-3, 7-10 and 24-35 are now canceled. Claims 4-6, and 11-23 have been amended.

Claim 1 was deemed to be allowable. All claims now depend from claim 1 and should also be deemed allowable.

Applicant reaffirms his agreement with the reasons for allowance. With traverse, canceled claim 35. Applicant reviewed the claims for section 112 problems and has made appropriate corrections where discovered.

For these reasons applicant respectfully asserts that all rejections have been overcome and should be withdrawn. Applicant respectfully requests notice to that effect.

CONCLUSION

It is respectfully submitted that, with the present restrictions to the claims all of the presently pending claims should be seen to be fully supported by the present specification and to define an invention patentable over all of the art of record, whether taken separately or in any combination. The issuance of a Notice of Allowance is seen to be in order and is solicited to be forthcoming.

Should the Examiner be of the opinion that any minor matters remain to be settled prior to the issuance of a Notice of Allowance, a telephone call to the

undersigned attorney of record is respectfully invited to assure prompt resolution thereof. Counsel may be reached at: **(763) 493-4011**.
